

Cynthia Muller

Cynthia joined the Miami-Dade County Public Schools (M-DCPS) in January 1966. During her 43 years in education she has served as a teacher, a coordinator in the State-funded Primary Education Program (PREP), an administrator overseeing the M-DCPS American Montessori Society accredited Montessori Program, and a Supervisor in the Division of Early Childhood Programs.

Her interest in curriculum and the creation of hands-on, active learning educational materials has enabled her to publish supplementary early childhood instructional materials over the years. She is the co-author of 35 titles addressing language arts/reading and the content areas. For 21 years professional development training series were presented to elementary school practitioners that encouraged active student learning.

After retiring in 2005, Cynthia returned to full time employment in 2006. Her professional choices represent the following verse:

Not everyone is ready,  
For the same thing,  
At the same time,  
In the same way!
