## Attention Teachers! Scholarships Available in Florida

Through a bank program that donated a portion of debit-card purchases to benefit schools, Chase provides scholarships for **first-time** and **advanced candidates** pursuing National Board Certification in:

- Jacksonville
- Miami-Dade
- Orlando
- Tampa

Scholarships will be given on a first-come, first-served basis in low-performing, urban schools to teachers who: 1) have completed the scholarship application and 2) have identified at least three teachers from their school who will form a cohort to complete the requirements of National Board Certification.

National Board Certification is a 10-part advanced certificate for experienced teachers. Teachers have up to three years to achieve National Board Certification.

### *Easy to Apply!*

To apply for a scholarship from Chase, interested first-time and advanced candidates must apply online at: [www.nbpts.org/become\\_a\\_candidate/fees\\_financial\\_support/scholarships](http://www.nbpts.org/become_a_candidate/fees_financial_support/scholarships).

If you have questions about a scholarship from Chase, contact NBPTS at [scholarship\\_manager@nbpts.org](mailto:scholarship_manager@nbpts.org) or at **1-888-908-3337** for more information regarding the scholarship process. More information on NBPTS programs is available at: [www.nbpts.org](http://www.nbpts.org).

**A Congressionally mandated report by the highly respected National Research Council found that National Board Certification has a positive impact on student achievement, teacher retention and professional development. Learn more at: [www.nbpts.org/resources/research](http://www.nbpts.org/resources/research).**

*The National Board for Professional Teaching Standards, Inc. has been funded, in part, with grants from the U.S. Department of Education and the National Science Foundation. Through September 2008, NBPTS has been appropriated federal funds of \$177.3 million, of which \$159.5 million was expended. Such amount represents approximately 31 percent of the National Board's total cumulative costs. Approximately \$360.8 million (69 percent) of the National Board's cost were financed by non-federal sources. The contents of this publication were developed in whole or in part under a grant from the U.S. Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.*
