## COMPONENT #: 1-705-001

**SPECIFIC LEARNER OUTCOMES:** Identify the intended learner outcomes (number and content of learner outcomes should be reflective of the total points participants will earn as a result of completing this learning).

### Standard 1: Culture as a Factor in ELLs Learning

Teachers will know and apply understanding of theories related to the effect of culture in language learning and school achievement for ELLs from diverse backgrounds. Teachers will identify and understand the nature and role of culture, cultural groups, and individual cultural identities.

#### Performance Indicators

- 1.1.A Understand and apply knowledge about cultural values and beliefs in the context of teaching and learning of ELLs, from diverse backgrounds and at varying English proficiency levels.
- 1.1.B Understand and apply knowledge of concepts of cultural competence, particularly knowledge about how cultural identities affect learning and academic progress for students from diverse backgrounds and at varying English proficiency levels.
- 1.1.C Use a range of resources in learning about the cultural experiences of ELLs and their families to guide curriculum development and instruction.
- 1.1.D Understand and apply knowledge about the effects of racism, stereotyping, and discrimination in teaching and learning of ELLs from diverse backgrounds and at varying English proficiency levels.
- 1.1.E Understand and apply knowledge about home/school connections to build partnerships with ELLs' families.
- 1.1.F Understand and apply knowledge about concepts related to the interrelationship between language and culture for students from diverse backgrounds and at varying English proficiency levels.

## PART II – LEARNING

**LEARNING PROCEDURES:** Describe the experiences (the “what”) and formats/methods (the “how”) that will be used to provide participants with the knowledge and skills sufficient to master the intended learner outcome of this component.

1. Participants will have a variety of experiences that will include, but are not limited to, the following professional development designs:  
Learning and application through a blended/hybrid format that will include
  - Web based resources
  - Discussion of research-based best practices
  - Reflection
  - Case Studies
  - Collaborative learning activities
  - Review of current research
  - Protocols
2. Discuss major significant cultures represented in the school, community, and state.
3. Have group discussion of significant, contrastive features of the various culture groups.
4. Design cooperative learning situations for the limited English proficient students in which there is opportunity for cross-cultural interaction and understanding.
5. Discuss ways in which culturally diverse students can assist in bridging the cross cultural gaps between their parents and the school community.

8. Discuss the importance of the ESOL teacher's role in having the ESOL program considered a modular part of the total school curriculum.
9. Design a cooperative learning situation for the limited English proficient students in which there is an opportunity for cross-cultural interaction and understanding.
10. Implement in the classroom the cooperative learning lesson and submit five (5) samples of student work.
11. Conduct research on the Internet on second language instruction techniques and give examples of at least three strategies.
12. Prepare a lesson using one of the strategies researched and implement in the classroom submitting five (5) samples of student work.
13. Write and submit a reflection on the strategy implemented in the classroom (SLO 1-1

### PART III – IMPLEMENTATION

**IMPLEMENTATION PROCEDURES:** Method(s) and resource(s) that will be provided to support implementation of new learning for participants (check all that apply).

- X Apply newly acquired professional knowledge, skills, dispositions, and behaviors to improve practice.
- X Provide sufficient classroom- and school-focused support and assistance by skillful coaches, mentors, or others to the educator to ensure high-fidelity implementation of professional learning.
- X Provide educators with web-based resources and assistance to support implementation of professional learning.

### PART IV – EVALUATION

**IMPACT EVALUATION PROCEDURES:** Describe the processes that will be used to determine the impact (as identified in previous section titled "Impact Focus Areas"). Description should reflect methods for determining at least ONE of those areas, and will include a specific section for each impact focus area identified for this component.

1. Educator Knowledge/skill: Will consist of observation of participants using the identified skills, techniques, methods, specified in the component objectives during the learning events; will also include reflective journal entries of participants after receiving feedback from their peers.
2. Educator: Evidence will include classroom walk-throughs, student materials, parent communication, surveys, participant reflections, participant portfolios.
3. Student Learning: Evidence will include evidence of implementation through documented impact on student achievement.

**COMPONENT EVALUATION PROCEDURES:** Describe the process(es) that will be used to determine the effectiveness of this component to include design, implementation and impact (check all that apply).

## **ESOL Cross Cultural Communications**

**COMPONENT #: 1-705-001**

- X Evaluate the impact of all professional learning on educator's practice through reflection, assessment, collaborative protocols for examining educator practice and work samples, peer visits, and/or professional portfolios.
  
- X Determine the degree to which educator's professional learning contributed to student performance gains as measured by classroom assessment data.
  
- X Use summative and formative data from state or national standardized student achievement measures, when available, or other measures of student learning and behavior such as district achievement tests, progress monitoring, educator-constructed tests, action research results, discipline referrals, and/or portfolios of student work to assess the impact of professional learning.
